♦ What this privacy policy covers?

Verve.ai is committed to protecting the privacy of your information. This policy covers how verve.ai treats personal information that verve.ai collects and receives. Personal information is information about you that is personally identifiable like your name, address, email address, or phone number, and that is not otherwise publicly available. This policy covers the information practices of verve.ai, including any verve.ai web sites that link to this Privacy Statement.

Verve.ai's Web sites may contain links to other Web sites. verve.ai is not responsible for the information practices or the content of such other Web sites. The Company encourages you to review the privacy statements of other Web sites to understand their information practices

♦ Information Collection and Use

Verve.ai collects personal information when you register with verve.ai, when you request information or use verve.ai products or services, and when you visit certain verve.ai pages or the pages of certain verve.ai partners.

When you register or fill out our order form, we ask for information such as your name, email address, and payment information. Once you register with verve.ai and sign in to our services, you are not anonymous to us. The information you provide to verve.ai is used to provide services to you and for billing purposes. If we have trouble processing an order, the information is used to contact the user. verve.ai uses credit card information solely to check the financial qualifications of prospective Customers and to collect payment for the Service.

Verve.ai reserves the right to automatically receive and record information on our server logs from your browser, including your IP address, verve.ai cookie information, and the page you request.

Verve.ai uses information for the following general purposes: to fulfill your requests for products and services, improve our services, contact you, customize the advertising and content you see, conduct research, and provide anonymous reporting for internal and external purposes.
